DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply filed on September 16, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): It is not seen how applicants' response to the 35 U.S.C. 112, second paragraph rejection of claim 40 has clarified or properly addressed the issue. Applicants' amendment fails to explain what constitutes a "desired viscosity and molecular weight". In the absence of clarification, it cannot be determined how the language is to further limit the claim. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to Rabon Sergent at telephone number (571) 272-1079.
